Bloom

Born from a cosmic and sensual impact, growing from the very darkest and incorrigible being. Organic elements together with some other more geometrics, just to come along the smooth impact.

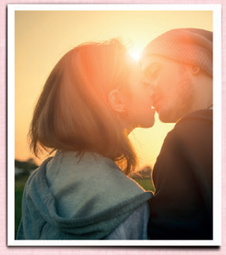
Sweet Flowers

Small flowers to stand the test of the time. No watches, no past. Over there, silence reigns, leading us, shacking us, thrilling us. When we get close to Small Flowers, we will reach till that moment we could appreciate the smell of that sea full of precious flowers.



BECOOL

TREND BAGS
& FINE STATIONERY

From an anthropological-urban point of view, about the concern of the styles and tendencies, from the experience in the sector, Becool Trends is born.

Becool Trends is inspiration, contrast and a smooth eruption of ideas that take cares in detail about the function and the form. Caring all textures and harmoniously combining elegant and organic designs with graphic and geometric elements.

Becool Trends is just desire.
